

## GECKO® 100 FOAM ALL PURPOSE CLEANER

### FEATURES

- Powerful foam
- Quickly eliminates heavy soils
- Extended dwell time for faster cleaning
- Water rinseable

Gecko® 100 FOAM is a special version of our most popular degreaser, Gecko® 100. Gecko® 100 FOAM is a heavy-duty industrial foaming degreaser that clings on contact and provides exceptional dwell time to break down tough soils such as grease and oil.

It is formulated with powerful water-soluble and grease-dissolving agents that quickly remove heavy contaminants from machinery, tools, equipment, and more. Gecko® 100 FOAM is environmentally friendly, non-toxic, and easy to use.

### DIRECTIONS FOR USE

1. Shake well before using.
2. Spray directly on dirty surface.
3. When foam turns soiled – flush area with water.
4. For heavily soiled areas, allow several minutes for the product to settle.

**Repeat As Needed**

### APPLICATIONS & USES

- Industrial machinery
- Tools
- Engines
- Hydraulic systems
- Cables & chains
- Cranes
- Transportation equipment
- Pulleys & rollers

### PROPERTIES

Appearance / Physical State	Aerosol: Gas, Bulk: Liquid
Color	White
Dielectric Strength	N/A
Odor	Citrus
Propellant	Liquefied Gas
VOC Compliant CARB/OTC	Yes
Recyclable Packaging	Yes
Ozone Depleting Compounds	None

### SIZE / AVAILABILITY

CAN SIZE: 20 Oz

NET WEIGHT: 16 Oz

QUANTITY: 12 Per Case

SHIPPING WEIGHT: 17 Lbs

## GECKO® 100 FOAM ALL PURPOSE CLEANER

### SIZE / AVAILABILITY

Pail 5 Gallons

Drum 55 Gallons

### HANDLING

Handle with care. Avoid spilling and splashing. Use only in well-ventilated areas.

Keep containers tightly closed when not in use. Do not handle, store, or open near flames, sparks, hot surfaces, or sources of ignition.

Do not cut, weld, solder, drill, or grind on or near containers.

Ground and bond all transfer and handling equipment to prevent static discharge.

Avoid breathing vapors, mist, or spray. Avoid prolonged or repeated skin contact.

Use appropriate personal protective equipment (PPE) such as gloves, goggles, and protective clothing.

Wash hands thoroughly after handling and follow good industrial hygiene practices.

Do not reuse empty containers — they may contain product residues and should be properly rinsed and disposed of.

### STORAGE

Store in a cool, dry, well-ventilated, and secure area.

Pressurized container — protect from direct sunlight and do not expose to temperatures above 50°C (122°F).

Do not puncture, crush, or incinerate containers.

Keep away from open flames, heat, sparks, and other sources of ignition.

This product may accumulate static electricity that could cause a spark and ignite vapors.

Prevent electrostatic build-up through proper bonding and grounding procedures.

Keep containers tightly sealed in their original packaging.

Store away from incompatible materials (refer to Section 10 of the SDS).

**Keep out of reach of children.**

### DISPOSAL

Dispose of contents and empty containers in accordance with local, regional, and national regulations.

Refer to the product's Safety Data Sheet (SDS) for specific disposal recommendations.

### TERMS AND CONDITIONS OF SALE

While statements, technical information and recommendations contained herein are based on information our company believes to be reliable, nothing contained herein shall constitute any warranty, express or implied, with respect to the products and/or services described herein and any such warranties are expressly disclaimed. We recommend that the prospective purchaser or user independently determine the suitability of our product(s) for their intended use. No statement, information or recommendation with respect to our products, whether contained herein or otherwise communicated, shall be legally binding upon us unless expressly set forth in a written agreement between us and the purchaser/user.
