

## GECKO® 265 LSP LIQUID SUPER PENETRANT

### FEATURES

- Non-chlorinated
- Non-silicone
- Prevents corrosion
- Penetrates and lubricates
- Cleans and displaces moisture

Gecko® 265 is an oil-based penetrant lubricant, formulated to reduce light wear for friction, displace moisture without the use of chlorinated solvents and prevent corrosion.

Its penetrating and lubricating properties loosen rusted or frozen parts, provides superior corrosion protection of metal parts during shipment, protects metal parts during indoor storage up to 9 months indoors, does not contain silicone and effectively displaces moisture.

Safe to use on most plastics, rubbers and paint eliminate squeaks and provide smooth operation in a wide range of industrial applications, including doors, hinges, rollers, tracks, gates, operators, bearings, chains, slides, linkages, gears, and more, all without the mess of grease.

Gecko® 265 provides easy, clean, and light lubrication for everyday maintenance needs.

### DIRECTIONS FOR USE

1. Shake well before using.
2. Spray on all corroded, rusted or frozen parts.
3. Let's stand for several minutes to allow thorough penetration.

### APPLICATIONS & USES

- Doors
- Hinges
- Rollers
- Tracks
- Gates
- Bearings
- Chains
- Slides
- Linkages
- Gears

### PROPERTIES

Appearance / Physical State	Aerosol: Gas, Bulk: Liquid
Color	Light Brown
Dielectric Strength	N/A
Odor	Characteristic
Propellant	Liquefied Gas for aerosol only
VOC Compliant CARB/OTC	Yes
Recyclable Packaging	Yes
Ozone Depleting Compounds	None

## GECKO® 265 LSP LIQUID SUPER PENETRANT

### SIZE / AVAILABILITY

Aerosol

Can size: 20 oz

Net weight: 15 oz

Quantity: 12 cans per case

Shipping weight: 15 lbs

Bulk

Pail 5 Gallons

Drum 55 Gallons

### HANDLING

Handle with care. Avoid spilling and splashing. Use only in well-ventilated areas.

Keep containers tightly closed when not in use. Do not handle, store, or open near flames, sparks, hot surfaces, or sources of ignition.

Do not cut, weld, solder, drill, or grind on or near containers. Ground and bond all transfer and handling equipment to prevent static discharge.

Avoid breathing vapors, mist, or spray. Avoid prolonged or repeated skin contact.

Use appropriate personal protective equipment (PPE) such as gloves, goggles, and protective clothing.

Wash hands thoroughly after handling and follow good industrial hygiene practices.

Do not reuse empty containers, they may contain product residues and should be properly rinsed and disposed of.

### STORAGE

Store in a cool, dry, well-ventilated, and secure area.

Pressurized container — protect from direct sunlight and do not expose to temperatures above 50°C (122°F).

Do not puncture, crush, or incinerate containers.

Keep away from open flames, heat, sparks, and other sources of ignition.

This product may accumulate static electricity that could cause a spark and ignite vapors.

Prevent electrostatic build-up through proper bonding and grounding procedures.

Keep containers tightly sealed in their original packaging.

Store away from incompatible materials (refer to Section 10 of the SDS).

**Keep out of reach of children.**

### DISPOSAL

Dispose of contents and empty containers in accordance with local, regional, and national regulations.

Refer to the product's Safety Data Sheet (SDS) for specific disposal recommendations.

### TERMS AND CONDITIONS OF SALE

While statements, technical information and recommendations contained herein are based on information our company believes to be reliable, nothing contained herein shall constitute any warranty, express or implied, with respect to the products and/or services described herein and any such warranties are expressly disclaimed. We recommend that the prospective purchaser or user independently determine the suitability of our product(s) for their intended use. No statement, information or recommendation with respect to our products, whether contained herein or otherwise communicated, shall be legally binding upon us unless expressly set forth in a written agreement between us and the purchaser/user.
